**QUESTION 1  
PROPOSED AMENDMENT TO  
THE CONSTITUTION**

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in joint sessions of the two houses on July 29, 1996 (yeas 127 – nays 65); and again on June 9, 1998 (yeas 149 – nays 41)?

**SUMMARY**

This proposed constitutional amendment would prohibit the state Legislature from changing the base compensation received by members of the Legislature as of January 1, 1996. As of the first Wednesday in January of 2001, and every second year thereafter, the base compensation would be increased or decreased at the same rate as increases or decreases in the median household income for the Commonwealth for the preceding two year period, as ascertained by the Governor.

*A YES VOTE* would prohibit state legislators from changing their base pay and instead would adjust that pay according to changes in median household income.

*A NO VOTE* would make no change in the method for setting legislators' base pay.

YES	2229
NO	915
BLANKS	180
TOTAL	3324

**QUESTION 2**  
**LAW PROPOSED BY**  
**INITIATIVE PETITION**

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 6, 1998?

**SUMMARY**

This proposed law would create a new voluntary system allowing candidates for state office who agree to campaign spending limits and \$100 contribution limits to receive a set amount of public funds for their campaigns, starting with the 2002 election. The proposed law would also limit transfers of money from national political parties to state political parties for administrative, overhead, or party-building activities. It would also require candidates for state office who had raised or spent at least a set minimum amount in an election cycle to file their required campaign finance reports with the state electronically, and the public would have prompt electronic access to such reports.

The new funding system would replace the existing system of limited public financing of campaigns for statewide office. To participate in the new system, a candidate would have to raise a minimum number of contributions from registered voters in the relevant district, as follows: Governor, 6000; Lt. Governor, Attorney General, or Treasurer, 3000; Secretary of State or Auditor, 2000; Executive Councillor, 400; State Senator, 450; State Representative, 200. Such contributions would have to be between \$5 and \$100 and be collected during a limited period: for statewide candidates beginning on August 1 of the year before the election, for other candidates beginning on January 1 of the election year, and for all candidates ending on the last day to file nomination papers with the Secretary of State.

For any election, a participating candidate could not accept contributions of more than \$100 from any person or political committee and could not raise or spend any money other than these contributions and public funds.

Candidates meeting all of these requirements would, subject to appropriation by the Legislature, receive public funding in the primary and general elections. This would come from a new state Clean Elections Fund, consisting of amounts voluntarily contributed through the checkoff on the state income tax return, any amounts appropriated by the Legislature, and any money in the existing state election campaign fund.

The chart below shows the amounts of public funds a candidate could receive in the primary and general elections. A candidate could raise and spend private contributions in order to bring his or her spending up to the spending limit shown below.

Office	Primary Election: Public Funds	Primary Election: Spending Limit	General Election: Public Funds	General Election: Spending Limit
Governor	\$1,500,000	\$1,800,000	\$1,050,000	\$1,200,000
Lt. Governor	\$383,000	\$450,000	\$255,000	\$300,000
Attorney General or Treasurer	\$360,000	\$450,000	\$240,000	\$300,000
Secretary of State or Auditor	\$120,000	\$150,000	\$80,000	\$100,000
Councillor	\$19,000	\$24,000	\$13,000	\$16,000
Senator	\$43,000	\$54,000	\$29,000	\$36,000
Representative	\$15,000	\$18,000	\$9,000	\$12,000

A participating candidate running unopposed would receive only half the listed amount of public funds and could spend correspondingly less than a candidate with

an opponent. All funds could be spent only for campaign purposes. Any unspent public funds from a primary or general election would have to be returned after that election. A participating candidate who violated the contribution or spending limits would have to return all public funds, become ineligible for further funds, and in some cases pay fines.

Candidates who do not accept public funds would have to report any spending in excess of the limit shown above and could be fined for failing to do so. If such a non participating candidate spent more than the limit, participating candidates in that race would immediately receive, and could spend, public "matching funds" equal to the amount of the excess spending. The total amount of public funding (including matching funds) a candidate could receive would be limited to twice the spending limit for that race. During the general election campaign, running mates for Governor and Lt. Governor would be treated as teams in order to determine the distribution of any matching funds.

An individual or political committee's total in-kind contributions (such as goods and some services) to a participating candidate would be limited to \$500 per election. Higher limits would govern political parties' in-kind contributions. Participating candidates could not accept more than a set amount in such contributions, ranging from \$3,000 per election for Representative up to \$35,000 for Governor.

The expenditure, contribution, and public funding limits would be adjusted every two years for inflation. A special commission (including elected officials and private citizens) would be set up to meet every two years to review the system and recommend any needed changes. The state Director of Campaign Finance could issue regulations to interpret and enforce the proposed law.

The proposed law states that if any of its parts were declared invalid, the rest of the law would stay in effect.

*A YES VOTE* would change the laws governing public financing of campaigns.

*A NO VOTE* would make no change in the laws governing public financing of campaigns.

YES	2083
NO	976
BLANKS	265
TOTAL	3324

### QUESTION 3

#### LAW PROPOSED BY AN INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 6, 1998?

#### SUMMARY

This proposed law would change the state income tax rate on interest and dividend income, which was 12% as of September 1997, to whatever rate applies to Part B taxable income (such as wages and salaries), which was 5.95% as of September 1997. The change would take effect starting in tax year 2000.

*A YES VOTE* would reduce the state tax rate for interest and dividend income.

**A *NO VOTE* would make no change in the current state tax rate for interest and dividend income.**

**YES            2744**

**NO             378**

**BLANKS       202**

**TOTAL         3224**

#### **QUESTION 4 REFERENDUM ON AN EXISTING LAW**

**Do you approve of a law summarized below, which was approved by the House of Representatives on November 19, 1997 by a vote of 124 to 30, approved by the Senate on November 19, 1997 by a vote of 32 to 6?**

#### **SUMMARY**

**The law changes the state's electric utility industry. Starting in March 1998, instead of buying power from the utility that owns the power lines, customers may choose to buy power from separate generating companies competing with each other to sell power to be delivered by the existing utility. Customers not choosing a new competing generating company will be provided power by their existing utility under a transition rate for 7 years, starting from a rate 10% less than 1997 rates. By September 1999, rates for such customers must be further reduced from 1997 rates (adjusted for inflation) by 5%. Subject to restrictions in the law, rates paid by such customers may be adjusted up or down if approved by the new state Department of Telecommunications and Energy (DTE).**

**The law lets a utility recover, from customers, previously incurred costs related to generating plants and contracts that have become uneconomical under competition. Utilities must first reduce such "transition costs" in all reasonable ways, which may include selling non-nuclear generating plants. DTE must approve such sales and the utility's way of financing transition costs, and DTE may limit which costs may be charged to customers. Public agencies may arrange the sale of special bonds to help a utility finance transition costs to provide savings to customers. Utilities claiming they cannot offer the required rate reductions must work with DTE to find all possible ways to do so. State tax revenues related to sales of power plants may be used, if found necessary by DTE and subject to legislative appropriation, to ensure that utilities provide the 15% rate reduction. Utilities must maintain discounts for low-income customers.**

**DTE must issue consumer protection and related regulations related to energy sales, and the law lets the state Attorney General enforce consumer protection laws and regulations against energy companies. To maintain reliability, DTE must set performance-based rates and service quality standards for electric and gas utilities. Utilities failing to meet the standards may be fined up to 2% of their annual revenues.**

**Such utilities will not be allowed to cut staff levels unless either the relevant unions agree or DTE finds that the cuts will not lead to sub-standard service. Utility employees who are laid off due to the law will, if eligible for unemployment benefits, also be eligible for reemployment assistance benefits. If a generating plant loses value due to the law, the responsible company must pay the affected city or town until 2009 to offset lost property tax revenue. Cities and towns may set up power purchasing cooperatives for local customers. Businesses and other organizations may also set up cooperatives. A municipal lighting plant that chooses to sell power outside its own service area must compete with other generating companies within its service area. The law requires electric utilities to continue energy efficiency and demand management programs until 2003 and directs DTE to ensure that such**

programs are cost effective. The law imposes a charge on electricity consumers to promote renewable energy projects and to help cities and towns pay to add pollution control equipment to existing trash-to-energy plants. By 2003, power suppliers must provide an annually increasing percentage of power from new renewable sources, and fossil-fuel power plants must start to meet efficiency standards limiting pollution. The law ends the requirement that the state find a need for a proposed power plant but preserves environmental reviews. The law changes the State Department of Public Utilities to the new DTE, controlled by a 5-member commission with expertise on specified issues. The law gives the state Division of Energy Resources new duties related to energy restructuring, such as educating consumers and helping cities and towns.

*A YES VOTE* would continue the new law changing the electric utility industry.

*A NO VOTE* would undo these changes in the electric utility industry.

**QUESTION 1 - Proposed Amendment to the Constitution**

**Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in joint sessions of the two houses on June 9, 1998 (yeas 186 – nays 3); and again on June 28, 2000 (yeas 188 – nays 0)?**

A YES VOTE would amend the constitution to require that periodic redrawing of district boundaries for state legislators and governor's councillors use new census data two years earlier than under the current system.

A NO VOTE would make no change in the current four-year process for redrawing such district boundaries.

**SUMMARY**

This proposed constitutional amendment would require that new district boundaries for state representatives, state senators, and governor's councillors, which are redrawn every ten years based on the most recent federal census, take effect for the state election held two years after the federal census, rather than the election four years after the census as under the current system.

<b>YES</b>	<b>3612</b>
<b>NO</b>	<b>1039</b>
<b>Blanks</b>	<b>197</b>
<b>Total</b>	<b>4848</b>

**QUESTION 2\_ - Proposed Amendment to the Constitution**

**Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in joint sessions of the two houses on July 29, 1998 (yeas 155-nays 34); and again on June 28, 2000 (yeas 144 – nays 45)?**

A YES VOTE would amend the constitution to limit the voting rights of incarcerated felons.

A NO VOTE would make no change in the voting rights of incarcerated felons.

**SUMMARY**

This proposed constitutional amendment would prohibit persons who are incarcerated in a correctional facility due to a felony conviction from voting in elections for governor, lieutenant governor, state senator, or state representative. The amendment would also result in such persons being ineligible to vote for governor's councillor, secretary of state, state treasurer, state auditor, state attorney general, or United States senator or representative in Congress.

<b>YES</b>	<b>3325</b>
<b>NO</b>	<b>1408</b>
<b>Blanks</b>	<b>115</b>
<b>Total</b>	<b>4848</b>

**QUESTION 3 – Law proposed by Initiative Petition**  
**Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 3, 2000?**

A YES VOTE would prohibit dog races where betting or wagering occurs.  
A NO VOTE would make no change in the laws governing dog racing.

**SUMMARY**

This proposed law would prohibit in Massachusetts any dog racing or racing meeting where any form of betting or wagering on the speed or ability of dogs occurs.

The State Racing Commission would be prohibited from accepting or approving any application or request for racing dates for dog racing.  
Any person violating the proposed law could be required to pay a civil penalty of not less than \$20,000 to the State Racing Commission. The penalty would be used for the Commission’s administrative purposes, subject to appropriation by the state Legislature.  
All existing provisions of the part of the state’s General Laws concerning dog and horse racing meetings would be interpreted as not applying to anything dog-related.  
The proposed law would take effect on June 1, 2001. The proposed law states that if any of its parts were declared invalid, the rest of the law would stay in effect.

<b>YES</b>	<b>2680</b>
<b>NO</b>	<b>2062</b>
<b>Blanks</b>	<b>106</b>
<b>Total</b>	<b>4848</b>

**QUESTION 4 - Law proposed by Initiative Petition**  
**Do you approve a law summarized below, on which no vote was taken by the Senate of the House of Representatives before May 3, 2000?**

A YES VOTE would reduce the state personal income tax rate in steps over three years to 5%.  
A NO VOTE would make no change in the state income tax laws.

**SUMMARY**

The proposed law would repeal the law setting the state personal income tax rate on Part B taxable income (such as wages and salaries), which was 5.95% as of September 1, 1999, and would set the rate of 5.6% for tax year 2001, for tax year 2002, and 5% for tax year 2003 and after. If the Legislature set a lower rate for any of those years, that lower rate would apply.  
The proposed law states that if any of its parts were declared invalid, the other parts would remain in effect.

<b>YES</b>	<b>3315</b>
<b>NO</b>	<b>1395</b>
<b>Blanks</b>	<b>138</b>
<b>Total</b>	<b>4848</b>

**QUESTION 5 - Law proposed by Initiative Petition**  
**Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 3, 2000?**

A YES VOTE would require health insurance carries to guarantee certain rights to their patients and providers, and it would prohibit the conversion of non-profit hospitals, HMO’s, and health insurers into for-profit entities until a system is created to provide comprehensive health care coverage for all Massachusetts residents.  
A NO VOTE would make no change in the laws governing health insurance and health care.

**SUMMARY**

This proposed law would set up a state Health Care Council to review and recommend legislation for a health care system that ensures comprehensive, high quality health care coverage for all Massachusetts residents. Until the Council decided that such a system had been set up, the proposed law would prohibit the conversion of non-profit hospitals, health maintenance organizations (HMOs), and health insurance firms to for-profit status. The proposed law would also require health insurance carriers to provide certain rights to patients and health care professionals, starting January 2, 2001.

The Council would recommend laws to set up, and would decide whether laws had been passed to ensure, a health care system that provides:

- Barrier-free access to health care services;
- Patients’ freedom to choose their health care providers, get second opinions, and appeal denials of care;
- Health care professionals’ freedom to act solely in the vest interest of their patients;
- Affordable coverage, with cost increases no greater than national averages;
- Preserving and increasing the quality of care and encouraging research;

- At least 90% of all premiums to be used for patient care, public health, and training/research, and no more than 10% for administrative costs, with simpler paperwork and administration;
- A prohibition of financial incentives that limit patient access to health care, and limits on incentives for inappropriate care.

The Council would include 17 members representing health care and other organizations. It would hold public hearings, study proposals, and make recommendations to the state Commissioner of Public Health and the Legislature on laws and other steps needed to set up a system meeting the above requirements.

The proposed law would also create a special legislative committee, including legislators and members of the Council, to make recommendations by September 30, 2001, for laws to set up a system meeting the above requirements by July 1, 2002.

Starting January 1, 2001, the proposed law would require health insurance carriers to guarantee certain rights to their insured patients and to health care professionals. These rights would include:

- Patients’ right to choose all of their health care providers, subject to the approval of a freely chosen primary care provider who has no financial incentive to deny care, and subject to payment of a reasonable extra fee to see a provider outside the carrier’s network;
- Health care professionals’ right to make medical decisions in consultation with their patients;
- Patients’ right to transitional insurance coverage when they are undergoing a course of treatment from a health care provider whose contract with a carrier is being terminated;
- Patients’ right to medically necessary referrals to specialists;
- Limits on and disclosure of contracts between carriers and health care providers that create financial incentives to delay or limit care or provide inappropriate care;
- Health care professionals’ right to discuss health benefit plans with insured patients and to advocate on behalf of their patients;
- Carriers could not terminate health care providers’ contracts without cause;
- Patients’ right to receive emergency services, subject to authorization procedures, and to be reimbursed when they pay cash for emergency services from providers not affiliated with their carrier;
- Utilization review procedures that meet specific standards, including patients’ right to appeal to the Commissioner of Public Health;
- In any year at least 90% of a carrier’s Massachusetts revenue must be spent on Massachusetts health care, and a carrier that spent more than 10% for non-health care purposes would have to refund the excess to its insured patients. Each carrier would have to report its revenues, premiums, and expenditures to the state Commissioner of Insurance every year.

The proposed law states that it would not interfere with any existing contract, including contract terms (such as automatic renewal or option clauses) that may go into effect after January 1, 2001. The proposed law states that if any of its parts were declared invalid, the rest of the law would stay in effect.

YES	1994
NO	2667
Blanks	187
Total	4848

### QUESTION 6 - Law proposed by Initiative Petition

Do you approve of a law summarized below on which no vote was taken by the Senate or the House of Representatives before May 3, 2000?

A YES VOTE would allow a state personal income tax or corporate excise tax credit for Massachusetts tolls and motor vehicle excise taxes.

A NO VOTE would make no change in the state tax laws.

#### SUMMARY

The proposed tax would allow a state personal income taxpayer a credit equal to the amount of tolls the taxpayer paid during the taxable year on all Massachusetts roads, highways, tunnels, and bridges, including the Massachusetts Turnpike and its Boston Extension, the Tobin Bridge, and the Sumner, Callahan, and Ted Williams Tunnels. Also, a corporation would be allowed a credit against its corporate excise taxes in an amount equal to all such tolls paid during the taxable year by the corporation or by its employees in furtherance of the corporation’s business.

The proposed law would also allow a state personal income taxpayer a tax credit equal to the amount of excise taxes on registered motor vehicles the taxpayer paid during the taxable year. A corporation would be allowed a credit against its corporate excise taxes in an amount equal to all registered motor vehicle excise taxes the corporation paid during the taxable year.

The tax credits could not be used to reduce a personal income taxpayer’s taxes below zero or a corporate excise taxpayer’s taxes below the minimum levels set by state law. Any amount of tax credit not usable in a taxable year because of these limits could be carried over and used in later taxable years, for up to ten years.

The proposed law would apply to taxable years beginning on or after January 1, 2001. The proposed law states that if any of its parts were declared invalid, the other parts would stay in effect.

**QUESTION 7 - Law proposed by Initiative Petition**  
**Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 3, 2000?**  
 A YES VOTE would create a state income tax deduction for charitable contributions.  
 A NO VOTE would make no change in the state income tax laws.

**SUMMARY**

This proposed law would allow taxpayers who give to charity a state personal income tax deduction for those charitable contributions. A taxpayer could take a deduction from any Part B income, including wages and salaries, of an amount equal to his or her charitable contributions for the year. The taxpayer could take the deduction whether or not the taxpayer itemized deductions on his or her federal income tax return. The proposed law would apply to taxable years beginning on or after January 1, 2001.

**QUESTION 8 - Law proposed by Initiative Petition**  
**Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 3, 2000?**

A YES VOTE would change state laws governing drug-dependency treatment and fines and forfeitures based on drug crimes.  
 A NO VOTE would make no change in the laws governing drug-dependency treatment and fines and forfeitures based on drug crimes.

**SUMMARY**

This proposed law would create a state Drug Treatment Trust Fund, to be used, subject to appropriation by the state Legislature, solely for the treatment of drug-dependent persons. The fund would include fines paid under the state’s criminal drug laws; money forfeited because of its use in connection with drug crimes; and the proceeds from selling property forfeited because of its use in connection with any drug crimes.

The Fund would be administered by the state’s Director of Drug Rehabilitation. Money in the Fund would be spent to increase, rather than replace, existing government funding for drug treatment programs. Those programs would be expanded to apply to person who are at risk of becoming drug-dependent and to include drug abuse prevention through education.

The proposed law would expand eligibility for the program under which a person charged with a drug crime may request a court finding that he is drug-dependent and would benefit from court-monitored treatment. If the court so finds, and the person then successfully completes a treatment program, the criminal charges are dismissed. The proposed law would allow requests to enter this program by persons who are at risk of becoming drug dependent and by persons charged with a first or second offense of manufacturing, distributing, or dispensing a controlled substance, or possessing a controlled substance with the intent to do any of those things, or trafficking 14 to 28 grams of cocaine.

The proposed law would change the state law governing forfeiture of money and property used in connection with drug crimes. Land and buildings could not be forfeited if used in a manner that was merely incidental to a drug crime. The state would have to prove by clear and convincing evidence that money or property was subject to forfeiture, and the property owner could then try to prove by a preponderance of the evidence that the money or property was legally exempt from forfeiture. All forfeited money, instead of being divided between the prosecuting agency and responsible police department and used for law enforcement purposes, would be put in the Fund. All forfeited property, instead of being so divided and used, would be sold and the proceeds put in the Fund.

Records of all state and local forfeiture activities would have to be kept and made public unless harm to law enforcement efforts would result. The state Inspector General could audit and investigate these activities. Any official who concealed or diverted any forfeited money or property could be punished by a fine of up to \$1000, imprisonment for up to one year, or both.

The proposed law states that if any of its parts were declared invalid, the rest of the law would remain in effect.

**Sections 3 to 7 of Chapter 44B of the General Laws of Massachusetts, also known as the Community Preservation Act (Act), establish a dedicated funding source to enable cities and towns to (1) acquire open space, which**

**ANNUAL TOWN ELECTION - MONDAY, MAY 14, 2001**

**QUESTION 6 (con't)**

includes land for park and recreational uses and the protection of public drinking water well fields, aquifers and recharge areas, wetlands, farm land, forests, marshes, beaches, scenic areas, wildlife preserves and other conservation areas, (2) acquire and restore historic buildings and sites, and (3) create affordable housing.

In the Town of Southborough, the funding source for these community preservation purposes will be a surcharge of 3% on the annual property tax assessed on real property and annual distributions made by the state from a trust fund created by the Act. If approved, the following will be exempt from the surcharge: (1) property owned and occupied as a domicile by any person who qualifies for low income housing or low and moderate senior housing in the Town of Southborough, as defined in Section 2 of said Act; (2) \$100,000 of the value of each taxable parcel of residential real property. A taxpayer receiving a regular property tax abatement or exemption will also receive a pro rata reduction in surcharge.

A Community Preservation Commission will be established by by-law to study community preservation resources, possibilities and needs to make annual recommendation to town meeting on spending the funds. At least 10% of the funds for each fiscal year will be spent or reserved for later spending on each of the Act's three community preservation purposes: (1) open space (excluding land for recreational use), (2) historic resources and (3) affordable housing."

QUESTION 1 - Law proposed by Initiative Petition

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 1, 2002?

A YES VOTE would eliminate any state personal income tax for income of other gain realized on or after July 1, 2003.

A NO VOTE would make no change in state tax laws.

SUMMARY

This proposed law would provide that no income or other gain realized on or after July 1, 2003, would be subject to the state personal income tax. That tax applies to income received or gain realized by individuals and married couples, by estates of deceased persons, by certain trustees and other fiduciaries, by persons who are partners in and receive income from partnerships, by corporate trusts, and by persons who receive income as shareholders of "S corporations" as defined under federal tax law. The proposed law would not affect the tax due on income or gain realized before July 1, 2003.

The proposed law states that if any of its parts were declared invalid, the other parts would stay in effect.

YES	2038
NO	2024
Blanks	297

QUESTION 2 - Law proposed by Initiative Petition

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 1, 2002?

A YES VOTE would require that, with limited exceptions, all public school children must be taught English by being taught all subjects in English and being placed in English language classrooms.

A NO VOTE would make no changes in English language education in public schools.

SUMMARY

This proposed law would replace the current state law providing for transition bilingual education in public schools with a law requiring that, with limited exceptions, all public school children must be taught English by being taught all subjects in English and being placed in English language classrooms.

The proposed law would require public schools to educate English learners (children who cannot do ordinary classwork in English and who either do not speak English or whose native language is not English) through a sheltered English immersion program, normally not lasting more than one year. In the program, all books and nearly all teaching would be in English, with the curriculum designed for children learning English, although a teacher could use a minimal amount of a child's native language when necessary. Schools would be encouraged to place in the same classroom children who are from different native-language groups but who have the same level of English skills. Once a student is able to do regular schoolwork in English, the student would be transferred to an English language mainstream classroom. These requirements would not affect special

STATE ELECTION, TUESDAY, NOVEMBER 5, 2002

education programs for physically or mentally impaired students or foreign language classes for children who already know English.

Parents or guardians of certain children could apply each year to have the requirements waived, so as to place their child in bilingual education or other classes, if the parents or guardians visit the school to be informed, in a language they can understand about all available options. To obtain a waiver, the child must either (1) already know English; or (2) be at least 10 years old, and the school principal and staff believe that another course of study would be better for the child's educational progress and rapid learning of English; or (3) have special physical or psychological needs (other than lack of English skills), have already spent 30 days in an English language classroom during that school year, the school principal and staff document their belief that the child's special needs make another course of study better for the child's educational progress and rapid learning of English, and the school superintendent approves the waiver. If 20 or more students in one grade level at a school receive waivers, the school would have to offer either bilingual education classes providing instruction in both the student's native language and English or classes using other generally recognized educational methodologies permitted by law. In other cases, a student receiving a waiver would have to be allowed to transfer to a school offering such classes.

A parent or guardian could sue to enforce the proposed law and, if successful, would receive attorney's fees, costs and compensatory money damages. Any school employee, school committee member or other elected official or administrator who willfully and repeatedly refused to implement the proposed law could be personally ordered to pay such fees, costs, and damages; could not be reimbursed for that payment by any public or private party; and could not be elected to a school committee or employed in the public schools for 5 years. Parents or guardians of a child who received a waiver based on special needs could sue if, before the child reaches age 18, they discover that the application for a waiver was induced by fraud or intentional misrepresentation and injured the child's education.

All English learners in grades kindergarten and up would take annually standardized tests of English skills. All English learners in grades 2 and up would take annually written standardized tests, in English, of academic subjects. Severely learning disabled students could be exempted from the tests. Individual scores would be released only to parents, but aggregate scores, school and school rankings, the number of English learners in each school and district, and related data would be made public.

The proposed law would provide, subject to the state Legislature's appropriation, \$5 million each year for 10 years for school committees to provide free or low-cost English language instruction to adults who pledged to tutor English learners.

The proposed law would replace the current law, under which school committee must establish a transitional bilingual education program for any 20 or more enrolled children of the same language group who cannot do ordinary classwork in English and whose native language is not English or whose parents do not speak English. In that program, schools must teach all required courses in both English and the child's native language; teach both the native language and English; and teach the history and culture of both the native land of the child's parents and the United States. Teaching of non-required subjects may be in a language other than English, and for subjects where verbalization is not essential (such as art or music), the child must participate in regular classes with English-speaking students.

Under the current law, a child stays in the program for 3 years or until the child can perform successfully in English-only classes, whichever occurs first. A test of the child's English skills is given each year. A school committee may not transfer a child out of the program before the third year unless the parents approve and the child has received an English-skills test score appropriate to the child's grade level. A child may stay in the program longer than 3 years if the school committee and the parent or guardian approve. Parents must be informed of their child's enrollment in the program and have the right to withdraw their child from the program.

The proposed law's testing requirements would take effect immediately, and its other requirements would govern all school years beginning after the proposed law's effective date. The proposed law states that if any of its parts were declared invalid, the other parts would stay in effect.

## ANNUAL TOWN ELECTION - MONDAY, MAY 12, 2003

### **BALLOT QUESTION 1**

**Shall the Town of Southborough be allowed to assess an additional \$538,949 in real estate and personal property taxes for the purpose of funding the following departments with the amounts specified:**

<b>Animal Control</b>	<b>\$29,139</b>
<b>Department of Public Works</b>	<b>\$57,079</b>
<b>Fire Department</b>	<b>\$101,000</b>
<b>Historical Commission</b>	<b>\$3,752</b>
<b>Insurance</b>	<b>\$10,000</b>
<b>Library</b>	<b>\$15,701</b>
<b>Recreation Department</b>	<b>\$18,841</b>
<b>K-8 School System</b>	<b><u>\$303,437</u></b>
<b>GRAND TOTAL</b>	<b>\$538,949</b>

<b>Yes</b>	<b>1080</b>
<b>No</b>	<b>681</b>
<b>Blanks</b>	<b>44</b>
<b>Total</b>	<b>1805</b>

**for the fiscal year beginning July 1, 2003?**

**Said question shall be deemed approved if a majority of the persons voting thereon shall vote "yes".**

### **BALLOT QUESTION 2**

**Shall the Town of Southborough, in addition to the payment of fifty percent of a premium for contributory group life, hospital, surgical, medical, dental and other health insurance for employees retired from the service of the Town, and their dependents, pay a subsidiary or additional rate?**

<b>YES</b>	<b>681</b>
<b>NO</b>	<b>1061</b>
<b>BLANKS</b>	<b>63</b>
<b>TOTAL</b>	<b>1805</b>

**Said question shall be deemed approved if a majority of the persons voting thereon shall vote "yes".**

*A "Yes" vote means the Town will continue to contribute the same rate for retirees who are enrolled in Town contributory group life, hospital, surgical, medical, dental and other health insurance as they do for active employees. The Town presently contributes 90% of the premium for HMO group plans and contributes 50% for indemnity, dental and group life plans.*

*A "No" vote means the Town will pay no more than 50% of the premium for retirees enrolled in the Town contributory group life, hospital, surgical, medical, dental and other health insurance.*

**ANNUAL TOWN ELECTION - MONDAY, MAY 12, 2003**

**BALLOT QUESTION 3**

**Shall the Town of Southborough be allowed to assess an additional \$54,010 in real estate and personal property taxes for the purpose of continuing implementation of the Town Geographic Information System (digital mapping), which the monies from this assessment will be used for the fiscal year beginning July 1, 2003?**

<b>YES</b>	<b>657</b>
<b>NO</b>	<b>1086</b>
<b>BLANKS</b>	<b>62</b>
<b>TOTAL</b>	<b>1805</b>

**Said question shall be deemed approved if a majority of the persons voting thereon shall vote “yes”.**

**BALLOT QUESTION 4**

**Shall the Town of Southborough be allowed to exempt from the provisions of Proposition 2 ½, so-called, the amounts required to pay for the bond issued in order to complete the construction, originally equipping and furnishing of an addition to the P. Brent Trottier Middle School, and to complete the remodeling, reconstruction or repairs to the present P. Brent Trottier Middle School, and to complete the construction, originally equipping and furnishing of the Albert S. Woodward School?**

<b>YES</b>	<b>1057</b>
<b>NO</b>	<b>701</b>
<b>BLANKS</b>	<b>47</b>
<b>TOTAL</b>	<b>1805</b>

**Said question shall be deemed approved if a majority of the persons voting thereon shall vote “yes”.**

**BALLOT QUESTION 5**

**Shall the Town of Southborough be allowed to assess an additional \$10,000 in real estate and personal property taxes for the purpose of implementing the Household Hazardous Waste Day, for the fiscal year beginning July 1, 2003?**

<b>YES</b>	<b>926</b>
<b>NO</b>	<b>833</b>
<b>BLANKS</b>	<b>46</b>
<b>TOTAL</b>	<b>1805</b>

**Said question shall be deemed approved if a majority of the persons voting thereon shall vote “yes”.**

**BALLOT QUESTION 6**

**“Shall Southborough accept sections 3 to 7 inclusive, of Chapter 44B of the General Laws, in accordance with the summary which appears below?”**

<b>YES</b>	<b>1001</b>
<b>NO</b>	<b>760</b>
<b>BLANKS</b>	<b>44</b>
<b>TOTAL</b>	<b>1805</b>

**ANNUAL TOWN ELECTION - MONDAY, MAY 12, 2003**

**BALLOT QUESTION 6 (con't)**

**Said question shall be deemed approved if a majority of the persons voting thereon shall vote "yes".**

**Sections 3 to 7 of Chapter 44B of the General Laws of Massachusetts, also known as the Community Preservation Act, establish a dedicated funding source to acquire and preserve open space, parks and conservation land, protect public drinking water supplies, and scenic areas, protect farmland and forests from future development, restore and preserve historic properties, and help meet local families' housing needs. In Southborough the Community Preservation Act will be funded by an additional surcharge of 1% on the annual property tax assessed on real property beginning in the 2004 Fiscal Year, and by matching funds provided by the state. The following exemptions shall be permitted:**

- 1) Property owned and occupied as a domicile by any person who qualifies for low-income housing or low or moderate-income senior housing in the town, as defined in Section 2 of said Act;**
- 2) \$100,000 of the value of each taxable parcel of residential real property.**

**Any other taxpayer receiving a regular property tax abatement or exemption will also receive a corresponding full or partial reduction in the surcharge. A Community Preservation Committee will be established by by-law to study community preservation resources, possibilities, and needs and to make recommendations to Town Meeting on spending the funds. At least 10% of the funds for each fiscal year will be spent or reserved for later spending on each of the Act's three community preservation purposes: open space, historic resources, and affordable housing.**

**If a majority of the voters voting on said question vote in the affirmative, then its provisions shall take effect in the city or town, but not otherwise.**

**QUESTION 1 - Law proposed by Initiative Petition**  
**Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 3, 2006?**

**A YES VOTE would create a new category of licenses for food stores to sell wine, and it would allow local licensing authorities to issue such licenses.**

**A NO VOTE would make no change in the laws concerning the sale of wine.**

**SUMMARY**

**This proposed law would allow local licensing authorities to issue licenses for food stores to sell wine. The proposed law defines a “food store” as a retail vendor, such as a grocery store, supermarket, shop, club, outlet, or warehouse-type seller, that sells food to consumers to be eaten elsewhere (which must include meat, poultry, dairy products, eggs, fresh fruit and produce, and other specified items), and that may sell other items usually found in grocery stores. Holders of licenses to sell wine at food stores could sell wine either on its own or together with any other items they sell. The licensing authorities in any city or town of up to 5000 residents could issue up to 5 licenses for food stores to sell wine. In cities or towns of over 5000 residents, one additional license could be issued for each additional 5000 residents (or fraction of 5000). No person or business could hold more than 10% of the total number of the licenses that could be issued under the proposed law. Such licenses would not be counted when applying the laws that limit the number of other kinds of alcoholic beverage licenses that may be issued or held. Any applicant for a license would have to be approved by the state Alcoholic Beverages Control Commission, and any individual applicant would have to be at least 21 years old and not have been convicted of a felony. In issuing any licenses for food stores to sell wine, local licensing authorities would have to use the same procedures that apply to other licenses for the retail sale of alcoholic beverages. Except where the proposed law has different terms, the same laws that apply to issuance, renewal, suspension and termination of licenses for retail sales of alcoholic beverages which are not to be consumed on the seller’s premises, and that apply to the operations of holders of such licenses, would govern licenses to sell wine at food stores, and the operation of holders of such licenses. Local authorities could set fees for issuing and renewing such licenses.**

<b>YES</b>	<b>1996</b>
<b>NO</b>	<b>2251</b>
<b>Blanks</b>	<b>118</b>
<b>Total</b>	<b>4365</b>

## **STATE ELECTION, TUESDAY, NOVEMBER 7, 2006**

### **QUESTION 2 - Law proposed by Initiative Petition**

**Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 3, 2006?**

A YES VOTE would allow a candidate for public office to be nominated for the same office by more than one political party or political designation at the same election.

A NO VOTE would make no change in the laws concerning nomination of candidates for public office.

### **SUMMARY**

This proposed law would allow candidates for public office to be nominated by more than one political party or political designation, to have their names appear on the ballot once for each nomination, and to have their votes counted separately for each nomination but then added together to determine the winner of the election.

The proposed law would repeal an existing requirement that in order to appear on the state primary ballot as a candidate for a political party's nomination for certain offices, a person cannot have been enrolled in any other party during the preceding year. The requirement applies to candidates for nomination for statewide office, representative in Congress, governor's councillor, member of the state Legislature, district attorney, clerk of court, register of probate, register of deeds, county commissioner, sheriff, and county treasurer. The proposed law would also allow any person to appear on the primary ballot as a candidate for a party's nomination for those offices if the party's state committee gave its written consent. The proposed law would also repeal the existing requirement that in order to be nominated to appear as an unenrolled candidate on the state election ballot, or on any city or town ballot following a primary, a person cannot have been enrolled in any political party during the 90 days before the deadline for filing nomination papers.

The proposed law would provide that if a candidate were nominated by more than one party or political designation, instead of the candidate's name being printed on the ballot once, with the candidate allowed to choose the order in which the party or political designation names appear after the candidate's name, the candidate's name would appear multiple times, once for each nomination received. The candidate would decide the order in which the party or political designation nominations would appear, except that all parties would be listed before all political designations. The ballot would allow voters who vote for a candidate nominated by multiple parties or political designations to vote for that candidate under the party or political designation line of their choice. If a voter voted for the same candidate for the same office on multiple party or political designation lines, the ballot would remain valid but would be counted as a single vote for the candidate on a line without a party or political designation. If voting technology allowed, voting machines would be required to prevent a voter from voting more than the number of times permitted for any one office.

The proposed law would provide that if a candidate received votes under more than one party or political designation, the votes would be combined for purposes of determining whether the candidate had won the election. The total number of votes each candidate received under each party or political designation would be recorded. Election officials would announce and record both the aggregate totals and the total by party or political designation.

## **ELECTION, TUESDAY, NOVEMBER 7 2006**

**The proposed law would allow a political party to obtain official recognition if its candidate had obtained at least 3% of the vote for any statewide office at either of the two most recent state elections, instead of at only the most recent state election as under current law.**

**The proposed law would allow a person nominated as a candidate for any state, city or town office to withdraw his name from nomination within six days after any party's primary election for that office, whether or not the person sought nomination or was nominated in that primary. Any candidate who withdrew from an election could not be listed on the ballot for that election, regardless of whether the candidate received multiple nominations. The proposed law states that if any of its parts were declared invalid, the other parts would stay in effect.**

<b>YES</b>	<b>1430</b>
<b>NO</b>	<b>2608</b>
<b>Blanks</b>	<b>327</b>
<b>Total</b>	<b>4365</b>

### **QUESTION 3 - Law proposed by Initiative Petition**

**Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 3, 2006?**

**A YES VOTE would allow licensed and other authorized providers of child care in private homes under the state's subsidized child care system to bargain collectively with the state.**

**A NO VOTE would make no change in the laws concerning licensed and other authorized family child care providers.**

### **SUMMARY**

**This proposed law would allow licensed and other authorized providers of child care in private homes under the state's subsidized child care system to bargain collectively with the relevant state agencies about all terms and conditions of the provision of child care services under the state's child care assistance program and its regulations.**

**Under the proposed law, these family child care providers who provide state-subsidized child care would not be considered public employees, but if 30% of the providers gave written authorization for an employee organization to be their exclusive representative in collective bargaining, the state Labor Relations Commission would hold a secret mail ballot election on whether to certify that organization as the exclusive representative. Parts of the state's public employee labor relations law and regulations would apply to the election and collective bargaining processes. The proposed law would not authorize providers to engage in a strike or other refusal to deliver child care services.**

**An exclusive representative, if certified, could then communicate with providers to develop and present a proposal to the state agencies concerning the terms and conditions of child care provider services. The proposed law would then require the parties to negotiate in good faith to try to reach a binding agreement. If the agreed-upon terms and conditions required changes in existing regulations, the state agencies could not finally agree to the terms until they completed the required procedures for changing regulations and any cost items agreed to by the parties had been approved by the state Legislature. If any actions taken under the proposed law required spending state funds, that spending would be subject to appropriation by the Legislature. Any complaint that one of the parties was refusing to negotiate in good faith could be filed with and ruled upon by the Labor Relations Commission. An exclusive**

representative could collect a fee from providers for the costs of representing them.

An exclusive representative could be de-certified under Commission regulations and procedures if certain conditions were met. The Commission could not accept a decertification petition for at least 2 years after the first exclusive representative was certified, and any such petition would have to be supported by 50% or more of the total number of providers. The Commission would then hold a secret mail ballot election for the providers to vote on whether to decertify the exclusive representative.

The proposed law states that activities carried out under it would be exempt from federal anti-trust laws. The proposed law states that if any of its parts were declared invalid, the other parts would stay in effect.

**BALLOT QUESTION 1**

Shall the Town of Southborough continue to be a member of the Worcester Regional Transit Authority?

This question will determine if the Town should remain a member of the Worcester Regional Transit authority (WRTA). A NO vote would allow the town to withdraw its membership from the WRTA and join another Transit Authority. A YES vote would indicate that the Town should remain a member of the WRTA.

**BALLOT QUESTION 1 – Law Proposed by Initiative Petition**

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 6, 2008?

**SUMMARY**

This proposed law would reduce the state personal income tax rate to 2.65% for all categories of taxable income for the tax year beginning on or after January 1, 2009, and would eliminate the tax for all tax years beginning on or after January 1, 2010.

The personal income tax applies to income received or gain realized by individuals and married couples, by estates of deceased persons, by certain trustees and other fiduciaries, by persons who are partners in and receive income from partnerships, by corporate trusts, and by persons who receive income as shareholders of "S corporations" as defined under federal tax law. The proposed law would not affect the tax due on income or gain realized in a tax year beginning before January 1, 2009.

The proposed law states that if any of its parts were declared invalid, the other parts would stay in effect.

A YES VOTE would reduce the state personal income tax rate to 2.65% for the tax year beginning on January 1, 2009, and would eliminate the tax for all tax years beginning on or after January 1, 2010.

A NO VOTE would make no change in state income tax laws.

YES	2205
NO	3437
Blanks	90
Total	5732

**BALLOT QUESTION 2 - Law Proposed by Initiative Petition**

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 6, 2008?

**SUMMARY**

This proposed law would replace the criminal penalties for possession of one ounce or less of marijuana with a new system of civil penalties, to be enforced by issuing citations, and would exclude information regarding this civil offense from the state's criminal record information system. Offenders age 18 or older would be subject to forfeiture of the marijuana plus a civil penalty of \$100. Offenders under the age of 18 would be subject to the same forfeiture and, if they complete a drug awareness program within one year of the offense, the same \$100 penalty.

Offenders under 18 and their parents or legal guardian would be notified of the offense and the option for the offender to complete a drug awareness program developed by the state Department of Youth Services. Such programs would include ten hours of community service and at least four hours of instruction or group discussion concerning the use and abuse of marijuana and other drugs and emphasizing early detection and prevention of substance abuse.

The penalty for offenders under 18 who fail to complete such a program within one year could be increased to as much as \$1,000, unless the offender showed an inability to pay, an inability to participate in such a program, or the unavailability of such a program. Such an offender's parents could also be held liable for the increased penalty. Failure by an offender under 17 to complete such a program could also be a basis for a delinquency proceeding.

**Town of Southborough**  
**STATE ELECTION**  
**TUESDAY, November 4, 2008**

**SUMMARY (continued)**

The proposed law would define possession of one ounce or less of marijuana as including possession of one ounce or less of tetrahydrocannabinol ("THC"), or having metabolized products of marijuana or THC in one's body.

Under the proposed law, possessing an ounce or less of marijuana could not be grounds for state or local government entities imposing any other penalty, sanction, or disqualification, such as denying student financial aid, public housing, public financial assistance including unemployment benefits, the right to operate a motor vehicle, or the opportunity to serve as a foster or adoptive parent. The proposed law would allow local ordinances or bylaws that prohibit the public use of marijuana, and would not affect existing laws, practices, or policies concerning operating a motor vehicle or taking other actions while under the influence of marijuana, unlawful possession of prescription forms of marijuana, or selling, manufacturing, or trafficking in marijuana.

The money received from the new civil penalties would go to the city or town where the offense occurred.

A YES VOTE would replace the criminal penalties for possession of one ounce or less of marijuana with a new system of civil penalties.

A NO VOTE would make no change in state criminal laws concerning possession of marijuana.

YES	3771
NO	1879
Blanks	82
Total	5732

**QUESTION 3 - Law Proposed by Initiative Petition**

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 6, 2008?

**SUMMARY**

This proposed law would prohibit any dog racing or racing meeting in Massachusetts where any form of betting or wagering on the speed or ability of dogs occurs.

The State Racing Commission would be prohibited from accepting or approving any application or request for racing dates for dog racing.

Any person violating the proposed law could be required to pay a civil penalty of not less than \$20,000 to the Commission. The penalty would be used for the Commission's administrative purposes, subject to appropriation by the state Legislature. All existing parts of the chapter of the state's General Laws concerning dog and horse racing meetings would be interpreted as if they did not refer to dogs.

These changes would take effect January 1, 2010. The proposed law states that if any of its parts were declared invalid, the other parts would stay in effect.

A YES VOTE would prohibit dog races on which betting or wagering occurs, effective January 1, 2010.

A NO VOTE would make no change in the laws governing dog racing.

**QUESTION 1: Law Proposed by Initiative Petition  
Sales Tax on Alcoholic Beverages**

**Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 4, 2010?**

**SUMMARY**

**This proposed law would remove the Massachusetts sales tax on alcoholic beverages and alcohol, where the sale of such beverages and alcohol or their importation into the state is already subject to a separate excise tax under state law. The proposed law would take effect on January 1, 2011.**

**A YES VOTE would remove the state sales tax on alcoholic beverages and alcohol where their sale or importation into the state is subject to an excise tax under state law.**

**A NO VOTE would make no change in the state sales tax on alcoholic beverages and alcohol**

<b>YES</b>	<b>2419</b>
<b>NO</b>	<b>2036</b>
<b>Blanks</b>	<b>79</b>
<b>Total</b>	<b>4534</b>

**QUESTION 2: Law Proposed by Initiative Petition  
Comprehensive Permits for Low- or Moderate- Income Housing**

**Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 4, 2010?**

**SUMMARY**

**This proposed law would repeal an existing state law that allows a qualified organization wishing to build government-subsidized housing that includes low- or moderate-income units to apply for a single comprehensive permit from a city or town's zoning board of appeals (ZBA), instead of separate permits from each local agency or official having jurisdiction over any aspect of the proposed housing. The repeal would take effect on January 1, 2011, but would not stop or otherwise affect any proposed housing that had already received both a comprehensive permit and a building permit for at least one unit.**

**Under the existing law, the ZBA holds a public hearing on the application and considers the recommendations of local agencies and officials. The ZBA may grant a comprehensive permit that may include conditions or requirements concerning the height, site plan, size, shape, or building materials of the housing. Persons aggrieved by the ZBA's decision to grant a permit may appeal it to a court. If the ZBA denies the permit or grants it with conditions or requirements that make the housing uneconomic to build or to operate, the applicant may appeal to the state Housing Appeals Committee (HAC).**

**After a hearing, if the HAC rules that the ZBA's denial of a comprehensive permit was unreasonable and not consistent with local needs, the HAC orders the ZBA to issue the permit. If the HAC rules that the ZBA's decision issuing a comprehensive permit with conditions or requirements made the housing uneconomic to build or operate and was not consistent with local needs, the HAC orders the ZBA to modify or remove any such condition or requirement so as to make the proposal no longer uneconomic. The HAC cannot order the ZBA to issue any permit that would allow the housing to fall below minimum safety standards or site plan requirements. If the**

**Town of Southborough  
STATE ELECTION  
TUESDAY, NOVEMBER 2, 2010**

HAC rules that the ZBA's action was consistent with local needs, the HAC must uphold it even if it made the housing uneconomic. The HAC's decision is subject to review in the courts.

A condition or requirement makes housing "uneconomic" if it would prevent a public agency or non-profit organization from building or operating the housing except at a financial loss, or it would prevent a limited dividend organization from building or operating the housing without a reasonable return on its investment.

A ZBA's decision is "consistent with local needs" if it applies requirements that are reasonable in view of the regional need for low- and moderate-income housing and the number of low-income persons in the city or town, as well as the need to protect health and safety, promote better site and building design, and preserve open space, if those requirements are applied as equally as possible to both subsidized and unsubsidized housing. Requirements are considered "consistent with local needs" if more than 10% of the city or town's housing units are low- or moderate-income units or if such units are on sites making up at least 1.5% of the total private land zoned for residential, commercial, or industrial use in the city or town.

Requirements are also considered "consistent with local needs" if the application would result, in any one calendar year, in beginning construction of low- or moderate-income housing on sites making up more than 0.3% of the total private land zoned for residential, commercial, or industrial use in the city or town, or on ten acres, whichever is larger.

The proposed law states that if any of its parts were declared invalid, the other parts would stay in effect.

*A YES VOTE* would repeal the state law allowing the issuance of a single comprehensive permit to build housing that includes low- or moderate-income units.

*A NO VOTE* would make no change in the state law allowing issuance of such a comprehensive permit.

YES	2126
NO	2194

**QUESTION 3: Law Proposed by Initiative Petition  
Sales and Use Tax Rates**

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 4, 2010?

**SUMMARY**

This proposed law would reduce the state sales and use tax rates (which were 6.25% as of September 2009) to 3% as of January 1, 2011. It would make the same reduction in the rate used to determine the amount to be deposited with the state Commissioner of Revenue by non-resident building contractors as security for the payment of sales and use tax on tangible personal property used in carrying out their contracts.

The proposed law provides that if the 3% rates would not produce enough revenues to satisfy any lawful pledge of sales and use tax revenues in connection with any bond, note, or other contractual obligation, then the rates would instead be reduced to the lowest level allowed by law.

The proposed law would not affect the collection of moneys due the Commonwealth for sales, storage, use or other consumption of tangible personal property or services occurring before January 1, 2011.

**Town of Southborough  
STATE ELECTION  
TUESDAY, NOVEMBER 2, 2010**

**The proposed law states that if any of its parts were declared invalid, the other parts would stay in effect.**

**TOWN OF SOUTHBOROUGH  
STATE ELECTION  
TUESDAY, November 6, 2012**

**QUESTION 1: LAW PROPOSED BY INITIATIVE PETITION**

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives on or before May 1, 2012?

**SUMMARY**

This proposed law would prohibit any motor vehicle manufacturer, starting with model year 2015, from selling or leasing, either directly or through a dealer, a new motor vehicle without allowing the owner to have access to the same diagnostic and repair information made available to the manufacturer's dealers and in-state authorized repair facilities.

The manufacturer would have to allow the owner, or the owner's designated in-state independent repair facility (one not affiliated with a manufacturer or its authorized dealers), to obtain diagnostic and repair information electronically, on an hourly, daily, monthly, or yearly subscription basis, for no more than fair market value and on terms that do not unfairly favor dealers and authorized repair facilities.

The manufacturer would have to provide access to the information through a non-proprietary vehicle interface, using a standard applied in federal emissions-control regulations. Such information would have to include the same content, and be in the same form and accessible in the same manner, as is provided to the manufacturer's dealers and authorized repair facilities.

For vehicles manufactured from 2002 through model year 2014, the proposed law would require a manufacturer of motor vehicles sold in Massachusetts to make available for purchase, by vehicle owners and in-state independent repair facilities, the same diagnostic and repair information that the manufacturer makes available through an electronic system to its dealers and in-state authorized repair facilities. Manufacturers would have to make such information available in the same form and manner, and to the same extent, as they do for dealers and authorized repair facilities. The information would be available for purchase on an hourly, daily, monthly, or yearly subscription basis, for no more than fair market value and on terms that do not unfairly favor dealers and authorized repair facilities.

For vehicles manufactured from 2002 through model year 2014, the proposed law would also require manufacturers to make available for purchase, by vehicle owners and in-state independent repair facilities, all diagnostic repair tools, incorporating the same diagnostic, repair and wireless capabilities as those available to dealers and authorized repair facilities. Such tools would have to be made available for no more than fair market value and on terms that do not unfairly favor dealers and authorized repair facilities.

For all years covered by the proposed law, the required diagnostic and repair information would not include the information necessary to reset a vehicle immobilizer, an anti-theft device that prevents a vehicle from being started unless the correct key code is present. Such information would have to be made available to dealers, repair facilities, and owners through a separate, secure data release system.

The proposed law would not require a manufacturer to reveal a trade secret and would not interfere with any agreement made by a manufacturer, dealer, or authorized repair facility that is in force on the effective date of the proposed law. Starting January 1, 2013, the proposed law would prohibit any agreement that waives or limits a manufacturer's compliance with the proposed law.

Any violation of the proposed law would be treated as a violation of existing state consumer protection and unfair trade-practices laws.

**A YES VOTE** would enact the proposed law requiring motor vehicle manufacturers to allow vehicle owners and independent repair facilities in Massachusetts to have access to the same vehicle diagnostic and repair information made available to the manufacturers' Massachusetts dealers and authorized repair facilities.

**A NO VOTE** would make no change in existing laws.

**TOWN OF SOUTHBOROUGH  
STATE ELECTION  
TUESDAY, November 6, 2012**

<b>YES</b>	<b>4,771</b>
<b>NO</b>	<b>604</b>
<b>Blanks</b>	<b>492</b>
<b>Total</b>	<b>5,867</b>

**QUESTION 2: LAW PROPOSED BY INITIATIVE PETITION**

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives on or before May 1, 2012?

**SUMMARY**

This proposed law would allow a physician licensed in Massachusetts to prescribe medication, at a terminally ill patient's request, to end that patient's life. To qualify, a patient would have to be an adult resident who (1) is medically determined to be mentally capable of making and communicating health care decisions; (2) has been diagnosed by attending and consulting physicians as having an incurable, irreversible disease that will, within reasonable medical judgment, cause death within six months; and (3) voluntarily expresses a wish to die and has made an informed decision. The proposed law states that the patient would ingest the medicine in order to cause death in a humane and dignified manner.

The proposed law would require the patient, directly or through a person familiar with the patient's manner of communicating, to orally communicate to a physician on two occasions, 15 days apart, the patient's request for the medication. At the time of the second request, the physician would have to offer the patient an opportunity to rescind the request. The patient would also have to sign a standard form, in the presence of two witnesses, one of whom is not a relative, a beneficiary of the patient's estate, or an owner, operator, or employee of a health care facility where the patient receives treatment or lives.

The proposed law would require the attending physician to: (1) determine if the patient is qualified; (2) inform the patient of his or her medical diagnosis and prognosis, the potential risks and probable result of ingesting the medication, and the feasible alternatives, including comfort care, hospice care and pain control; (3) refer the patient to a consulting physician for a diagnosis and prognosis regarding the patient's disease, and confirmation in writing that the patient is capable, acting voluntarily, and making an informed decision; (4) refer the patient for psychiatric or psychological consultation if the physician believes the patient may have a disorder causing impaired judgment; (5) recommend that the patient notify next of kin of the patient's intention; (6) recommend that the patient have another person present when the patient ingests the medicine and to not take it in a public place; (7) inform the patient that he or she may rescind the request at any time; (8) write the prescription when the requirements of the law are met, including verifying that the patient is making an informed decision; and (9) arrange for the medicine to be dispensed directly to the patient, or the patient's agent, but not by mail or courier.

The proposed law would make it punishable by imprisonment and/or fines, for anyone to (1) coerce a patient to request medication, (2) forge a request, or (3) conceal a rescission of a request. The proposed law would not authorize ending a patient's life by lethal injection, active euthanasia, or mercy killing. The death certificate would list the underlying terminal disease as the cause of death.

Participation under the proposed law would be voluntary. An unwilling health care provider could prohibit or sanction another health care provider for participating while on the premises of, or while acting as an employee of or contractor for, the unwilling provider.

The proposed law states that no person would be civilly or criminally liable or subject to professional discipline for actions that comply with the law, including actions taken in good faith that substantially comply. It also states that it should not be interpreted to lower the applicable standard of care for any health care provider.

A person's decision to make or rescind a request could not be restricted by will or contract made on or after January 1, 2013, and could not be considered in issuing, or setting the rates for, insurance policies or annuities. Also, the proposed law would require the attending physician to report each case in which life-ending medication is

**TOWN OF SOUTHBOROUGH  
STATE ELECTION  
TUESDAY, November 6, 2012**

dispensed to the state Department of Public Health. The Department would provide public access to statistical data compiled from the reports.

The proposed law states that if any of its parts was held invalid, the other parts would stay in effect.

*A YES VOTE* would enact the proposed law allowing a physician licensed in Massachusetts to prescribe medication, at the request of a terminally-ill patient meeting certain conditions, to end that person's life.

*A NO VOTE* would make no change in existing laws.

<b>YES</b>	<b>3,123</b>
<b>NO</b>	<b>2,567</b>
<b>Blanks</b>	<b>177</b>
<b>Total</b>	<b>5,867</b>

**QUESTION 3: LAW PROPOSED BY INITIATIVE PETITION**

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives on or before May 1, 2012?

**SUMMARY**

This proposed law would eliminate state criminal and civil penalties for the medical use of marijuana by qualifying patients. To qualify, a patient must have been diagnosed with a debilitating medical condition, such as cancer, glaucoma, HIV-positive status or AIDS, hepatitis C, Crohn's disease, Parkinson's disease, ALS, or multiple sclerosis. The patient would also have to obtain a written certification, from a physician with whom the patient has a bona fide physician-patient relationship, that the patient has a specific debilitating medical condition and would likely obtain a net benefit from medical use of marijuana.

The proposed law would allow patients to possess up to a 60-day supply of marijuana for their personal medical use. The state Department of Public Health (DPH) would decide what amount would be a 60-day supply. A patient could designate a personal caregiver, at least 21 years old, who could assist with the patient's medical use of marijuana but would be prohibited from consuming that marijuana. Patients and caregivers would have to register with DPH by submitting the physician's certification.

The proposed law would allow for non-profit medical marijuana treatment centers to grow, process and provide marijuana to patients or their caregivers. A treatment center would have to apply for a DPH registration by (1) paying a fee to offset DPH's administrative costs; (2) identifying its location and one additional location, if any, where marijuana would be grown; and (3) submitting operating procedures, consistent with rules to be issued by DPH, including cultivation and storage of marijuana only in enclosed, locked facilities.

A treatment center's personnel would have to register with DPH before working or volunteering at the center, be at least 21 years old, and have no felony drug convictions. In 2013, there could be no more than 35 treatment centers, with at least one but not more than five centers in each county. In later years, DPH could modify the number of centers.

The proposed law would require DPH to issue a cultivation registration to a qualifying patient whose access to a treatment center is limited by financial hardship, physical inability to access reasonable transportation, or distance. This would allow the patient or caregiver to grow only enough plants, in a closed, locked facility, for a 60-day supply of marijuana for the patient's own use.

DPH could revoke any registration for a willful violation of the proposed law. Fraudulent use of a DPH registration could be punished by up to six months in a house of correction or a fine of up to \$500, and fraudulent use of a registration for the sale, distribution, or trafficking of marijuana for non-medical use for profit could be punished by up to five years in state prison or by two and one-half years in a house of correction.

**TOWN OF SOUTHBOROUGH  
STATE ELECTION  
TUESDAY, November 6, 2012**

The proposed law would (1) not give immunity under federal law or obstruct federal enforcement of federal law; (2) not supersede Massachusetts laws prohibiting possession, cultivation, or sale of marijuana for nonmedical purposes; (3) not allow the operation of a motor vehicle, boat, or aircraft while under the influence of marijuana; (4) not require any health insurer or government entity to reimburse for the costs of the medical use of marijuana; (5) not require any health care professional to authorize the medical use of marijuana; (6) not require any accommodation of the medical use of marijuana in any workplace, school bus or grounds, youth center, or correctional facility; and (7) not require any accommodation of smoking marijuana in any public place.

The proposed law would take effect January 1, 2013, and states that if any of its part were declared invalid, the other parts would stay in effect.

*A YES VOTE* would enact the proposed law eliminating state criminal and civil penalties related to the medical use of marijuana, allowing patients meeting certain conditions to obtain marijuana produced and distributed by new state-regulated centers or, in specific hardship cases, to grow marijuana for their own use.

*A NO VOTE* would make no change in existing laws.

<b>YES</b>	<b>3,577</b>
<b>NO</b>	<b>2,101</b>
<b>Blanks</b>	<b>189</b>
<b>Total</b>	<b>5,867</b>

**THIS QUESTION IS NOT BINDING**

Shall the state senator from this district be instructed to vote in favor of a resolution calling upon Congress to propose an amendment to the U.S. constitution affirming that (1) corporations are not entitled to the constitutional rights of human beings, and (2) both Congress and the states may place limits on political contributions and political spending?

<b>YES</b>	<b>3,705</b>
<b>NO</b>	<b>1,116</b>
